November 15-16, 2011  
Life Foursquare Church,  
Decatur, Illinois

“I recently attended an ELN Leadership Forum. The time I spent learning about the Network was both informative and practical. It was great to see a program that is truly raising a generation of leaders. It was even better to walk away with tools in my hand so I can see the same success in my local church.”

-Aaron Bull, Senior Pastor, Westminster Foursquare Church / Director, Catalyst School of Ministry
